Director

- Oct. 2016 – Sept. 2018** "Improving contextual awareness of a robot through the analysis of acoustic information – ROXAC"
– PN-III-P2-2.1-BG-2016-0378; 54BG/2016
Coordinator: Technical University of Cluj-Napoca
Partner: IT Center for Science and Technology SRL
- Sept. 2007 – March 2009** "Researches regarding phase approximation from frequency response gain samples" – CNCSIS PNII-RU-TD-281

Partner Responsible

- July 2014 – Sept. 2017** "Pavements and roads management, monitoring and maintenance intelligent system using modern imagistic techniques – PAV3M"
– PN-II-PT-PCCA-2013-4-1762; 3/2014
Coordinator: Babeş Bolyai University
Partners: IT Center for Science and Technology SRL; The Competence Center in Electrostatic and Electrotechnologies SRL; "VALAHIA" University of Târgoviște; University "Dunărea de Jos" Galați; Technical University of Cluj-Napoca

Member

- 2011 – 2013** "Integrated System of Master Programs in Engineering of Sound, Image and Multimedia Applications" – POSDRU 86/1.2/S/61810
Coordinator: University POLITEHNICA of Bucharest
- 2008 – 2011** "Adaptive Signal Reconstruction for Compressive Sampling of Acoustic Arrays" – CNCSIS PNII-ID-162/2008
Director: Prof. Corneliu Rusu
- 2008** "Signal Processing Systems for Wireless Communications (SPSWC)" – CNCSIS PNCDI-WE
Director: Prof. Corneliu Rusu
- 2005 – 2006** "Genic Sequence Bioinformatics Implied for Prokaryotes Cellular Division" – CNCSIS PNCDI CEEEX-050D11-52/2005
Director: Prof. Petre Pop
- 2004 – 2005** "Biometrical Systems for Access Control Using Vocal Print" – CNCSIS A-1027/2005
Director: Prof. Eugen Lupu
- 2004** "Adaptive Filters with Variable Structure" – CNCSIS A-33532/2003
Director: Prof. Corneliu Rusu
- 2006 – 2008** International research grant with third persons Continental Temic A.G
Director: Assoc.Prof. Gabriel Chindriș
- 2005** International research grant with third persons 16933/23.09.2005
Director: Assoc.Prof. Gabriel Chindriș
